

## Curriculum Vitae: Michael Leon Morris

<b>Nationality</b>	South African
<b>Education</b>	PhD (1981) Institute of Development Studies at the University of Sussex
	MA (1974) University of Sussex
	BA (Hons) (1971) University of Cape Town
	BA (1970) University of Cape Town
<b>Expert Professional Advisory</b>	<ul style="list-style-type: none"> <li>• Policy Expert Advisor (2015 - 2018) – Global Value Chain Policy and Sustainable Development Programme, International Centre for Trade and Sustainable Development, Geneva</li> <li>• Independent Expert (2012) – appointed to submit a Report on the Wal-Mart/Massmart merger to the Competition Appeal Court.</li> <li>• Expert Adviser (2001 – 2012) – Southern Africa country representative for the African Clothing and Footwear Research network institutionally located in the IDS, University of Nairobi</li> <li>• Founding Board Member (2005 – 2010 – Centre for Business and Development Studies at the Copenhagen Business School.</li> <li>• Economic Advisor (2010 – 2011) – Premiers Office, Government of the Western Cape</li> <li>• Oversight Committee Member (2005 – 2010) - Western Cape Provincial Government Micro Economic Development Strategy (MEDS) responsible for overseeing sectoral studies and writing the MEDS 2005, 2006, 2007/8 Synthesis Report and the 2005 – 2009 Composite Report</li> <li>• Editorial Board (2017 -&gt;) – <i>Review of Development and Change</i></li> <li>• Editorial Review Board (2018 -&gt;) – <i>Transnational Corporations journal (UNCTAD)</i></li> <li>• Editorial Board (2013 -&gt;) – <i>Journal of African Trade (Afreximbank)</i></li> <li>• Editorial Board (2000 – 2007) – <i>Development Southern Africa</i></li> <li>• Editorial Board (1986 – 2008) - <i>TRANSFORMATION</i></li> </ul>
<b>Languages</b>	English (Fluent), Afrikaans (Fluent)
<b>Employment record</b>	
2018 – present	Emeritus Professor School of Economics, University of Cape Town
2006 – 2016	Founder and Director of Policy Research in International Services and Manufacturing (PRISM) School of Economics, University of Cape Town
2006 – 2018	Professor and Principal Researcher School of Economics, University of Cape Town
2015 – present	Honorary Research Associate Institute of Development Studies at University of Sussex, United Kingdom
2012 – 2016	Convenor of the Masters in Economic Development Economics Department, University of Cape Town
1998 – 2002	Head of School of Development Studies University of Natal
1997 – 2010	Senior Professor (Head until 2002) School of Development Studies, University of Natal (renamed University of KwaZulu-Natal)
1996 – 1998	Director of the Centre for Social and Development Studies University of Natal

1993 – 1996	Associate Professor and Director Centre for Social and Development Studies, University of Natal
1991 – 1992	Acting Director of the Centre for Socio-Legal Studies University of Natal
1990 – 1992	Regional Coordinator of the Economic Trends Research Group, researching and formulating socio-economic policy for COSATU and ANC
1990 – 1992	Senior Research Fellow Centre for Social and Development Studies, University of Natal
1988 -1989	Acting Head of the Development Studies Unit University of Natal
1987 – 1989	Research Fellow Development Studies Unit, University of Natal
1986	Researcher Sociology Department, University of Natal
1980 – 1981	Lecturer African Economic History, University of Cape Town
1977 – 1979	Lecturer Sociology, University of Cape Town
1976	South African Labour and Development Research Unit University of Cape Town
1975	Visiting researcher Centre of Development Research, Copenhagen
1973 – 1975	Research Assistant Institute of Development Studies, University of Sussex
<b>Visiting Academic Fellowships</b>	
2005	Visiting Professor School of Economics, University of Cape Town
2003	Visiting Professorial Fellow Institute of Social Studies, The Hague
2001	Japanese International Co-operation Agency official Visitor Various institutions (academic and government), Japan
1999	Visiting Professorial Fellow The Copenhagen Business School
1990	Visiting Fellow Centre for Developing Area Studies, McGill University
1978	Visiting Fellow Institute of Ethnology and Anthropology, University of Copenhagen
1976	Anglo/Danish Exchange Scholarship presenting seminars University of Copenhagen, Roskilde, Aarhus and Aalborg
1975	Visiting Fellow Centre for Development Research, Copenhagen

**Relevant professional experience (selected)**

---

2018 - current	<p>Tendering Sustainable Transitions on Renewable Energy in South Africa DANIDA</p> <p><b>Lead of section; Member of multi country research team</b></p> <p>Lead of section on local sourcing and industrialisation for “Tendering sustainable transitions on renewable energy in South Africa (TENTRANS)”.</p> <p>Responsible for research, analysis, report writing, workshops, journal publication</p>
2018	<p>Green economy dynamics in South African Supermarkets GIZ/DIE (German Development Institute)</p> <p><b>Project Lead</b></p> <p>Responsible for research, analysis, report writing</p>
2018	<p>Regional Integration for the Prosperity of Africa: A ‘developmental regionalism approach to the AfCFTA African Development Bank</p> <p><b>Joint Project Lead</b></p> <p>Analysis of the AfCFTA and regional integration.</p> <p>Responsible for writing the section on dynamics facilitating regional integration through the apparel sector, meetings, commenting and review of the total report</p>
2016 - 2018	<p>Global Value Chains and Sustainable Development Goals International Centre for Trade and Sustainable Development (ICTSD)</p> <p><b>Expert Advisor</b></p> <p>This project was under ICTSD’s Programme on Inclusive Economic Transformation, focused on producing research and discussion papers on global value chains and sustainable development goals. The objective was to provide crucial information in supporting least developed and low-income countries in their quest for inclusive, sustainable development.</p> <p>The various studies/publications centred on an overview of all the GVC work undertaken across sectors and low income countries in Africa and Asia; tea GVCs in Kenya, Sri Lanka and Nepal; services sector value chains in developing countries; regulations/standards in GVCs in developing countries; west African GVCs; GVCs in the apparel sector in Lesotho, GVCs in the Ethiopian apparel sector; GVCs and SDGs; the gender dimensions of GVCs; the fish GVC in Cambodia; apparel GVCs/RVCs in Southern Africa; GVCs and aid for trade; GVCs in the apparel sector in Myanmar.</p> <p>Responsible for overseeing research reports and policy briefs on multi sectoral projects. Conceptualised terms of reference, selected researchers, supported research and writing process, co-authored selected discussion papers, reviewed drafts, ensured quality control.</p>
2016 – 2017	<p>Value Chain and Cluster Development Component for Local Economic Development Assistance Programme in iLembe, KwaZulu-Natal, South Africa SECO-UNIDO</p> <p><b>Project Lead</b></p> <p>The State Secretariat for Economic Affairs (SECO) of the Swiss Confederation developed a Programmatic Approach for Local Economic Development in the iLembe District of South Africa in conjunction with UNIDO, its international implementation partner. The project focused on identifying value-chain and cluster development opportunities in the sugar, wood and horticulture (fresh fruit &amp; vegetables, macadamia nuts and flowers) sectors. Inputs provided on this project included: market assessments; appraisal of capacity building and institutional support requirements; and value-chain analysis in the aforementioned sectors.</p> <p><b>Responsible for:</b> Coordinating various project activities and research sub projects, analysis of industrialisation possibilities in various sectoral value chains (fresh food,</p>

	furniture, agro-processing, sugar, wood), synthesising findings, workshop presentation, co- final project report.
2016 - 2017	<p>Developing Local Suppliers in the Retail Sector in South Africa South Africa Dept. of Trade and Industry (DTI) and TIPS</p> <p><b>Joint Project Lead</b></p> <p>The project entailed analysing the dynamics driving South African supermarket value chains in relation to their fresh food suppliers with a focus on small farm enterprise suppliers.</p> <p>Responsible for research, analysis, report writing, policy recommendation.</p>
2016	<p>Support to the 2016 EU-SADC Policy Dialogue on future economic partnership and cooperation EU and SADC</p> <p><b>Project Lead</b></p> <p>Development of policy briefing papers</p> <p>Responsible for managing the three components of the project, writing one policy briefing paper, attending workshops, providing policy advice.</p>
2015 - 2016	<p>Expansion of South Based Supermarkets into Africa GIZ</p> <p><b>Joint Project Lead</b></p> <p>Investigating the spread of supermarkets into Africa, the value chain dynamics driving the process, and the impact on local and regional procurement Responsible for dynamics, likely trajectories and impact on local procurement.</p> <p>Responsible for research, analysis, report writing.</p>
2015 – 2016	<p>Mining suppliers in Southern Africa German Federal Institute for Geosciences &amp; Natural Resources (BGR) / German Government</p> <p><b>Project Lead</b></p> <p>A project intended to determine the scope for promoting enterprises around mining (EAM) in Southern Africa through business to business linkages in the input supply sectors to the southern African mining industry. The focus was on regional suppliers by mining companies in South Africa, Namibia, Zambia and Madagascar. The project involved economic research, data gathering, interviews of key respondents and report writing.</p> <p>Responsible for coordination of various sub projects and researchers, analysis, report writing, policy, workshop presentations.</p>
2015	<p>Sustainable Development, Value Chain and Sector Dynamics in Ethiopia’s Export Apparel and Textile Sector ICTSD</p> <p><b>Joint Project Lead</b></p> <p>Project description: Analysis of the dynamics driving the apparel and textile export sector, the role of industrial policy and how this related to sustainable and green economy objectives.</p> <p>Responsible for research, analysis, report writing, policy recommendations, journal publication</p>
2014 – 2015	<p>The Political Economy of Renewable Energy in South Africa; Part of the Political Economy Analysis of Climate Change Policies (PEACH) Project Institute of Development Studies (IDS) and DFID</p> <p><b>Project Lead</b></p> <p>Analysis of the political economy dynamics underlying the drive to build a successful renewable energy program, analysis of the winners and losers, the regulatory framework</p>

	<p>underpinning the process, constraining factors facilitating or blocking renewable energy adoption and implementation.</p> <p>Responsible for research, analysis, report writing, and policy recommendations.</p>
2014	<p>Developing Industry Clusters and Supply Chains to support Diversification and Sustainable Development of Exports in Africa African Export/Import Bank</p> <p><b>Joint Project lead</b></p> <p>Research on the role of global value chains in structuring supply chains and export industrial clusters in Africa with the aim of supporting such activities, analysis of different families of global value chains and their policy implications.</p> <p>Responsible for research, analysis, report writing, policy recommendations. Compiling three reports as well as a single Composite Report.</p>
2013	<p>Industrial Development in the Madagascar Export Apparel Sector African Footwear and Clothing Research Network (AFCRN)</p> <p><b>Joint Lead</b></p> <p>Project description: Analysis of the dynamics driving the apparel and textile export sector, the role of industrial policy and how this related to sustainable objectives.</p> <p>Responsible for research, analysis, report writing, policy recommendations, journal publication</p>
2013	<p>Promoting Non-Automotive Industries in the Eastern Cape South African National Treasury</p> <p><b>Joint Project Lead</b></p> <p>Project description: Analysis of the dynamics driving non automotive industries in the Eastern Cape, challenges and opportunities, policy recommendations, and the role of industrial policy Responsible for research, analysis, report writing, policy recommendations, workshops</p>
2012 -2013	<p>Economic Report on Africa (ERA) 2013: Making the Most of Commodities United Nations Economic Commission on Africa (UNECA)</p> <p><b>Project Lead (Research)</b></p> <p>Report on Reaping the Benefits of Value Addition in the Commodities Sector in Africa which formed four of the chapters of the UNECA ERA 2013.</p> <p>Responsible for coordinating research, writing the report, workshop presentations.</p>
2007 - 2012	<p>The African Clothing and Footwear Research Network: Innovation, Employment, and Poverty Reduction.</p> <p><b>Steering committee member and Expert Advisor</b></p> <p>Project description: Research and analysis of clothing, textile and footwear sectors in various African countries.</p> <p>Responsible for coordination of various sub projects and researchers, research and policy analysis, South African research activities, review of various reports from other countries, expert advice to the network of researchers, report writing, policy, workshop presentations, journal and book chapter publications.</p>
2012	<p>Industrial Policy for the Southern African Customs Union (SACU) SACU</p> <p><b>Joint Project Lead</b></p> <p>Provided analysis of selected value chains for regional economic development. Engaged in policy dialogue workshops with SADC-EU</p> <p>Responsible for research, analysis, report writing, policy recommendations.</p>
2012	<p>Clothing/Textile Policy in Lesotho African Development Bank (AfDB)</p>

	<p><b>Project lead</b> Research and policy analysis of the clothing and textile industry in Lesotho Responsible for research, analysis, report writing, policy recommendations</p>
2009 – 2012	<p>‘Making the Most of Commodities Program for Africa’ – Industrialization and linkages International Development Research Centre (IDRC), Hewlett Foundation, Oppenheimer Award</p> <p><b>Joint Project Lead</b> Identifying industrialisation linkage opportunities in hard, soft and energy commodities for African economic development in selected African countries. Responsible for managing the various components of the project, coordinating the activities of the various researchers, undertaking research, providing analysis, report writing, policy recommendations, journal publication, writing and publication of a book</p>
2006 - 2011	<p>Multi country continental research programme on the impact of the Asian Drivers (China and India) on African economic development African Economic Research Consortium</p> <p><b>Steering committee member</b> Responsible for DFI components, coordination of various sub projects and researchers, conceptualising terms of reference, review of papers, analysis, report writing, policy, workshop presentations.</p>
2009 - 2010	<p>The Relevance of “globalized regulation” for Developing Countries: Some African experience The World Bank</p> <p><b>Project Lead</b> Project description: Analysis of the dynamics underlying the regulatory framework of the horticulture and forestry sectors in South Africa. Responsible for research, analysis, report writing, policy recommendations.</p>
2009 - 2010	<p>Energy Efficiency production in the Automotive and Clothing Sectors UNIDO</p> <p><b>Joint Project Lead</b> Project description: Analysis of the dynamics driving energy efficiency in the automotive sector, and clothing and textile sectors. Reports contributed to the UNIDO Industrial Development Report, 2010. Responsible for research, analysis, report writing, policy recommendations,</p>
2006 - 2010	<p>Western Cape Micro-Economic Development Strategy (MEDS) Provincial Government of the Western Cape, South Africa</p> <p><b>Oversight Member</b> The MEDS was a provincial industrial strategy predicated on institutionally bringing together the public and private sector in a strategic partnership within prioritised industries in the Western Cape. It was premised on specially created agencies, funded by but standing outside the government, involving stakeholders from industry in conjunction with government industry specialists charged with developing focused policy interventions and manage their implementation. These ‘special purpose vehicles’ (SPVs) as examples of public-private partnerships were able to act independently and flexibly whilst still being accountable, and focused on developing targeted interventions within the industrial sectors they were focused on. Responsible for selecting researchers, conceptualizing terms of reference, overseeing and reviewing report outputs, synthesizing the results into a Synthesis Report each year, communicating with department officials and SPV senior staff, reviewing mechanisms of coordination between department and SPVs, and implementation of the industrial strategy.</p>
2007 - 2008	<p>A Sectoral Analysis of Skills Gaps and Shortages in the Clothing and Textile Industry in South Africa Human Sciences Research Council</p>

---

	<p><b>Project Lead</b> Researching skills dynamics of skills shortages and gaps in the clothing and textile industry in South Africa. Responsible for research and analysis, coordinating researcher activities, workshop presentations, book chapter, journal publication.</p>
2002 - 2005	<p>Combating Poverty and Marginalization through Industrial Development (COMPID) UNIDO <b>Peer Review Panel Team Member</b> A research and policy oriented project reporting to the COMPID programme within UNIDO. Responsible for overseeing the strategic research direction, reviewing sub projects and researchers, policy analysis, workshop presentations.</p>
1999 – 2003	<p>Endogenising change management in South Africa: facilitating process innovation to improve the value added competitiveness of South African manufacturers Department of Arts, Culture, Science and Technology <b>Joint Project Lead</b> Project description: Managing the compilation of a handbook and CD for the use of management in manufacturing firms to assist them to understand and implement world class manufacturing and reach levels of international competitiveness in their firms. Responsible for managing project, coordinating the research and analytic sections as well as the case studies</p>
2001 – 2002	<p>A Policy oriented value chain research handbook IDRC <b>Joint Project Lead</b> Project to provide assistance to researchers and policy analysts in regard to value chain dynamics Responsible for writing of a manual to assist researchers and policy analysts undertake value chain research and analysis</p>
1990 – 1992	<p>Economic Trends Research Group, researching and formulating socio-economic policy COSATU and ANC <b>Regional Coordinator</b> Responsible for coordination activities in Natal, report back meetings with COSATU and ANC representatives, research and policy commentary, writing discussion paper, attending group meetings, workshop presentations, journal publication.</p>
2000 -2001	<p>The impact of the information economy and e-business on South African industry with particular reference to international competitiveness and supply chain management IDRC <b>Project Lead</b> Researching e-commerce with special reference to the clothing retail sector Responsible for research, writing report, and subsequent journal publication</p>
