What does the PCC do?

Our purpose is to oversee and facilitate a just and equitable transition towards a low-emissions and climate-resilient economy.

Our work is guided by robust research and analysis. We engage in a transparent manner with all stakeholders in our efforts to build social consensus around what will constitute a Just Transition for South Africa.

PCC Programmes

- **Just Transition Framework**
- **Just Energy Transition**
- **Climate Finance**
- **Mitigation**
- **Adaptation**
- **Communications and Outreach**
